\* Angola's targets for demobilization and reintegration have been officially reduced by 33,000 as per a change in the World Bank-Angolan Government grant agreement; this reduction is reflected in the cumulative tables of the executive summary, although not in the Angola country report for this month.

\*\* Children are no longer included in the demobilization figure in the DRC, accounting for the apparent overall decrease in demobilization figures. A total of 30,219 children were provided services by child protection agencies (95% under special projects). Due to the complex nature of these programs a child may have received services from two agencies.
